

Upon viewing webinar please complete evaluation and then return to the office of Professional & Community Education in order to receive certificate of completion. Completed evaluation may be emailed (CE@mail.wvu.edu), faxed (304.293.5936) or mailed (WVU, PO Box 6830, Morgantown, WV 26506-6830).

GERIATRICS LUNCHTIME LEARNING

Name: _____ Email Address: _____ Date: Program / ____ / ____

Title: Does Choice of Inhalation Agent Effect Cancer Recurrence in Breast Cancer Patients?

Speaker(s): Jenny Brunoni-Butler, SRNA

Objectives:

At the conclusion of this program, participants should be able to:

1. Discuss medications used by anesthetists that have been shown to both suppress and boost the body's natural immune response
2. Explain the metastasis process and consider the time frame for this cancer proliferation to occur; and
3. Discuss the purpose of research - linking science to clinical practice.

Overall Presentation

1. The presentation objectives were met.

Agree

Somewhat Agree

Disagree

Strongly Disagree

2. Name some medications that have been shown to both suppress and boost the body's natural immune response:

3. What is the purpose of linking research to clinical practice?

How can attending this program affect your current practice and/or position?

What will you do differently in your practice and/or position as a result of your attendance in this program?
